**There are lots of ways to volunteer with the troop. Select as many as you wish, and number them in order of preference.**

**Troop Coordinator:** You will mentor girls as they build confidence, create new experiences, learn new skills, and make friendships that will last a lifetime. You will work with and oversee a team of volunteers to create an exciting and rewarding experience for your troop. This position requires annual membership, background screening, and completion of all training as assigned. You will serve as the troop's primary contact for Girl Scouts of Southern Alabama, as well as one of the signers on the troop's bank account.

**Meeting Coordinator:** You will support the Troop Coordinator by overseeing the planning and implementation of girl-led badge earning, troop level activities, events and other tasks needed to build girls of confidence. This position requires annual membership, background screening, and completion of all trainings as assigned.

**Finance Coordinator:** You will be a signer on and manage the troop's bank account to help support the troop in their financial journey. You will engage the girls in goal setting and budgeting and are key to the financial integrity of the troop. This position requires annual membership, background screening, and completion of all trainings as assigned.

**Cookie Coordinator:** You will coordinate the cookie program sale at the troop level. You are responsible for communicating procedures to parents, setting pickup dates/times for parents to pick up inventory. You will also set up cookie booths, manage inventory and money and help create the next generation of savvy business leaders. This position requires annual membership, background screening, a signed position description and completion of all trainings as assigned.

**Munchies and Mags Coordinator:** You will coordinate the fall product program sale at the troop level. You will manage orders and money as you guide the girls on their financial literacy journey by helping them perfect their selling techniques and earn funds for their troop. This position requires annual membership, background screening, a signed position description and completion of all trainings as assigned.

**Troop Helper** – You will provide troop support through chaperoning, driving, being present at meetings and general participation within the troop (as needed). What better way to be a part of your daughter’s Girl Scout experience? This position requires annual membership and background screening. You may also choose to support the troop with a special certification, such as First Aid/CPR, Outdoor Essentials (camping), Zipline, Small Watercraft, Archery, etc.

**Do you have any other hobbies or skills that you would like to share with the troop? If so, please list them below!**
